

# The League Of Extraordinary Grave Robbers

General Surgery

Disinter and subjugate  
The freshly buried corpses  
A vaguely high-brow fetish  
For me and my distinguished colleagues

Exhumation an honourable task  
To rid the cemeteries of their casks  
A gentleman and body snatcher  
A closet frenzied carcass slasher

Venerable dissection  
Undignified post-mortem  
Unauthorized vivisection  
A villainous consortium

A nocturnal raid on the morgue  
To relieve them of superfluous corpses  
An impossible task to perform  
Without my fellow deviant surgeons

Venerable dissection  
Undignified post-mortems  
Unauthorized vivisection  
A villainous consortium
