

Virulent Corpus Dispersement

General Surgery

Virulent corpus dispersement
The adverse events induced
By foul medical treatment
Administered with unproven methods

To such an extent
That we see some intriguing results
A dissolving mass
Unexpected development

Infusion of modifying elements
Corrosive status obtained

Grey matter turns infectious
Rigor mortis
Now seems absent

Flesh is starting to show
Corrosive abilities
Erosive like acid
Bone structure starts to crumble

Infusion of modifying elements
Corrosive status obtained

Vitriolic carrier
Virulent corpus dispersement
Inappropriate soilure
Virulent corpus dispersement

Dissolving mass...
Minced viscera mixed
Reagents ensure new results
Successful attempts to refine the accidental liquidation concept

Virulent corpus dispersement
Vitriolic carrier
Virulent corpus dispersement

Dissolving mass...
Poisonous fluid tending to cause death
Complete concealment and secrecy is required

Virulent corpus dispersement
Inappropriate soilure
Virulent corpus dispersement

Groundbreaking science
With pathogenic disease
Incorporated
Corrosive form

Infusion of modifying elements
Corrosive status...
Vitriolic carrier

Virulent corpus dispersement

Inappropriate soilure
Virulent corpus dispersement
