Dancing With Myself

Generation X

On the floor of Tokyo
Or down in London town to go, go
With the record selection
With the mirror reflection

I'm dancing with myself When there's no-one else in sight In the crowded lonely night Well I wait so long

For my love vibration And I'm dancing with myself Oh dancing with myself Oh dancing with myself

Well there's nothing to lose And there's nothing to prove I'll be dancing with myself If I looked all over the world

And there's every type of girl But your empty eyes Seem to pass me by Leave me dancing with myself

So let's sink another drink
'Cause it'll give me time to think
If I had the chance
I'd ask the world to dance

And I'll be dancing with myself Oh dancing with myself Oh dancing with myself Well there's nothing to lose

And there's nothing to prove I'll be dancing with myself If I looked all over the world And there's every type of girl

But your empty eyes
Seem to pass me by
Leave me dancing with myself
So let's sink another drink

'Cause it'll give me time to think If I had the chance I'd ask the world to dance And I'll be dancing with myself

Oh dancing with myself
Oh dancing with myself
If I had the chance
I'd ask the world to dance

If I had the chance
I'd ask the world to dance

If I had the chance
I'd ask the world to dance

Dancing with myself Dancing with myself Dancing with myself Dancing with myself

If I looked all over the world And there's every type of girl But your empty eyes Seem to pass me by

Leave me dancing with myself So let's sink another drink 'Cause it'll give me time to think If I had the chance

I'd ask the world to dance And I'll be dancing with myself Oh dancing with myself Oh dancing with myself

If I had the chance
I'd ask the world to dance
If I had the chance
I'd ask the world to dance

If I had the chance
I'd ask the world to dance
