Generation X

Youth youth youth Youth youth youth Never wanna be an adult Always wanna be in revolt

Youth youth youth Youth youth youth

Don't wanna spend my life saving up for things Don't wanna have what a steady job brings I don't want security Don't want responsibility

Don't wanna stay at home not making any noise I've always got to be out I've always got to have a choice I don't want security Don't want responsibility

Youth youth youth Youth youth youth

I don't want no uniform I don't want no book of rules

Youth youth youth Youth youth youth

Never wanna be an adult Always wanna be in revolt

Youth youth youth Youth youth youth

I don't want no uniform I don't want no book of rules
