1. Stay with me, my love I hope you'll always be Right here by my side, if ever I need you, oh my love

In your arms, I feel so safe and so secure

Every day is such a perfect day to spend, alone with you

- R: I will follow you if you follow me
  All the days and nights that we know will be
  I will stay with you if you stay with me
  Just one single tear in each passing year
- 2. With the dark, oh I see so very clearly now
  All my fears are drifting by me so slowly now, fading away

I can say, the night is long but you are here Close at hand though I'm better for the smile you give, and while I live

R: I will follow...

R: I will follow...
