

## For A While

Genesis

1. I feel it leading me, away to I don't know where  
I might be back someday, but the people and things will change

And no one will remember me then

2. Don't need no sympathy, for soon I'll forget everything  
I feel it fading now, and I see in the eyes of my love

R: Tears for how it might have been  
It sure felt good for a while, yes it was good for a while  
I found somebody to take my hand  
to the promised land of your love

3. Now as the night draws in, a dark with no promise of dawn  
I feel my eyes grow dim, as I see in the eyes of my love

R: Tears for how it might have been...

\*: Yes it was good for a while,  
it sure felt good for a while  
I found somebody to take my hand  
to the promised land of your love
