

# Hold On My Heart

Genesis

Abmaj7 Ab(b5) Abmaj7 Ab(b5) Gsus4

1. Hold on my heart  
just hold on to that feeling  
we both know we've been here before  
we both know what can happen

Hold on my heart  
'cause i'm looking over your shoulder  
oh, please don't rush in this time  
don't show her how you feel

2. Hold on my heart  
throw me a lifeline  
I'll keep a place for you  
somewhere deep inside

So, hold on my heart  
please tell me to be patient  
'cause there has never been a time  
that I wanted something more

- \*: If I can recall this feeling  
and I know there's a chance oh I will be there  
yes I will be there  
be there for you  
whenever you want me too  
whenever you call  
I will be there  
yes I will be there

3. Hold on my heart  
don't let her see you crying  
no matter where I go  
she'll always be with me

So hold on my heart  
just hold on to that feeling  
we both know we've been here before  
we both know what can happen

So hold on my heart...
