

# Illegal Alien

Genesis

1. Got out of bed, wasn't feeling too good  
With my wallet and my passport, a new pair of shoes  
The sun was shining so I head for the park  
With a bottle of tequila and a new pack of cigarettes

2. I got a cousin, and sge got a friend  
Who thought that her aunt knew a man who could help  
At his apartment, I knock on the door  
He wouldn't come out until he got paid

X: Now don't tell anybody what I wanna do  
If they find out, you know that they'll never let me through

R: Cos it's no fun being an illegal alien (2x)

3. Down at the office had to fill out the forms  
A pink one, a red one, the colours you choose  
Up to the counter to see what they think, they said,  
"It doesn't count, man, it aint written in ink"

I don't trust anybody, least not around here

R: Cos it's no fun...

\*: Consideration for your fellow man  
Would not hurt anybody, sure fits in with my plan  
Over the border, there lies the promised land  
Where everything comes easy, you just hold out your hand
