

# In Too Deep

Genesis

1. All that time I was searching with  
nowhere to run to It started  
me thinking wondering what I could make  
of my life and who'd be waiting.  
Asking all kinds of questions to myself but never finding the answers.  
Crying at the top of my voice  
and no one listening.

All this time I still remember everything you said  
There's so much you promised  
how could I ever forget?

R: Listen you know I love you but I just can't take this  
You know I love you but I'm playing for: keeps  
Although I need you I'm not gonna make this  
You know I want you but I'm in too deep.

\*: So listen, listen to me  
oh you must believe me  
I can feel your eyes go through me but I don't know why.

2. I know you're going but I can't believe  
It's the way that you're leaving  
It's like we never knew each other at all  
it may be my fault.  
I gave you too many reasons being alone when I didn't want to.  
I thought you'd always be there  
I almost believed you.

All this time I still remember everything you said  
There's so much you promised  
how could I ever forget?

R: Listen you know...

\*: So listen, listen to me,  
I can feel your eyes go through me.

It seems I've spent too long only thinking about myself  
And now I want to spend my life just caring 'bout somebody else

R: Listen you know...
