

# Inside And Out

## Genesis

Seems they're letting him out next year  
He's behaving himself I hear  
Governor Conway says it will be fine  
Just as long as he can tow the line.

So it's the same old story  
But it says here "Mum you're not to worry,  
'Cos some you lose and some you lose."

At this party he was on his own,  
All he did was say he'd take her home  
But it seems he didn't go straight there  
'Twas on the porch she told him,  
Put your hand there

Yes it's that same old story,  
they told her mum she's not to worry  
If what she says is so, they'll never let him go.

R: Never a word could be heard, not even the sound of a bird  
Singing it over again, telling the same old story  
Never the same as before, see the summer going out by the door.  
And now that you've paid for those lies, get another disguise.

It's twenty years now since our kid came free  
Oh I remember August '53  
But it wasn't quite like they said  
With that behind you you can't plan ahead.

So it's that same old story  
They say you're free, so don't worry  
What they said's not so  
They never let you go!

R: Never a word could be heard...
