

# More Fool Me

Genesis

Here am I  
Who while away the mornings  
Since you've gone  
Too long have I lay alone  
Not knowing which way to turn

And there you are  
Quite sure that you were right, hmm  
Knowing full well  
That I'd be the first one to go down

And you'd be the one who was laughing  
Except when things weren't going your way  
And then the lady would say that she'd had enough  
Wandering around on her own

The day you left  
Well I think you knew you'd not be back, hmm  
Well at least it would seem that way  
Because you never said good-bye  
But when it comes round to you and me  
I'm sure it will work out alright

And you'd be the one who was laughing  
And giving me something I don't need  
And you know I'd always hold you and keep you warm  
Oh! more fool me

Ah, but when it comes round to you and me  
I ask myself do I really believe in your love  
And yes, I'm sure it will work out alright
