Genesis

G4/7 Gm7 G7/9 Gm7 Am7

G4/7 Gm7 G7/9 Gm7 Am7  
1. Oh, please don't ask me how I feel, I feel fine

G4/7 Gm7 G7/9 Gm7 Am7  
Oh, I cry a bit, I don't sleep too good, but I'm fine  
When can I see you? When can I touch you?

2. Again and again I ask myself was I wrong?  
Oh, but time's a healer and heaven knows I've been strong  
Maybe we could try, oh, maybe we would work this time

R: Oh, I can remember when it was easy to say I love you  
But things have changed since then, now I really can't say  
if I still do  
But I can try, 'cause I know that the kids are well  
Yes, you're a mother to the world  
Oh, but I miss my boy, I hope he's good as gold

3. But enough of me, tell me how are you? You look good  
Well, you've lost some weight I can see, your hair looks nice,  
you look good  
Maybe we should try, don't say it 'cause I know why

R: But you know I can remember when it was easy to say I love you...
