Ripples

Genesis

```
   E7+/9                    B7+
1. Bluegirls come in every size
   Some are wise and some otherwise,
   They got pretty blue eyes.
   For an hour a man may change
   For an hour her face looks strange -
   Looks strange, looks strange.

   E7+/9                     B7+
   Marching to the promised land
   Where the honey flows and takes you by the hand,
   Pulls you down on your knees,
   While you're down a pool appears.
   The face in the water looks up,
   And she shakes her head as if to say
   D/C                           B7/4  B7
   That it's the last time you'll look like today.

R1: Sail away, away
    Ripples never come back.
    Gone to the other side.
    Sail away, away.

2. The face that launched a thousand ships
   Is sinking fast, that happens you know,
   The water gets below.
   Seems not very long ago
   when lovelier she was than any
   that I know.

   Angels never know it's time
   To close the book and gracefully decline,
   The song has found a tale.
   My, what a jealous pool is she.
   The face in the water looks up
   She shakes her head as if to say
   That the bluegirls have all gone away.

R2: Sail away, away
    Ripples never come back.
    They've gone to the other side.
    Look into the pool,
    Ripples never come back,
    Dive to the bottom and go to the top
    To see where they have gone
    Oh, they've gone to the other side...

R3: Sail away, away
    Ripples never come back.
    Gone to the other side.
    Look into the pool,
    The ripples never come back, come back,
    Dive to the bottom and go to the top
    To see where they have gone
    They've gone to the other side
    Ripples never come back
    Sail away, away...
