

# Since I Lost You

Genesis

1. It seems in a moment, your whole world can shatter  
like morning dreams they just disappear  
like dust in your hand falling to the floor  
how can life ever be the same

R1: Cos my heart is broken in pieces  
yes my heart is broken in pieces  
since you've been gone

2. It's all too easy to take so much for granted  
oh but it's so hard to find the words to say  
like a castle in the sand the water takes away  
but how can life ever be the same

R2: Cos my heart is broken in pieces  
yes my heart is broken in pieces  
since I've lost you

Oh now you'll never see  
oh you'll never know  
all the things I planned for you  
things for you and me

Held your hand so tightly that I couldn't let it go  
Now how can life ever be the same

R2: Cos my heart...

R1: Cos my heart... (2x)
