

Snowbound

Genesis

Lay your body down upon the midnight snow,
Feel the cold of winter in your hair
Cmaj7 Em9(no5)
Here in a world of your own,
In a casing that's grown
To a children's delight
That arrived overnight

And here they come to play their magic games
Carving names upon your frozen hand.
Here, in a world of your own,
Like a sleeper whose eyes
Sees the pain with surprise
As it smothers your cries
They'll never, never know.

Hey there's a Snowman
Hey, Hey what a Snowman
Pray for the Snowman
Ooh, Ooh what a Snowman
They say a snow year's a good year
Filled with the love of all who lie so deep

Smiling faces tear your body to the ground
Covered red that only we can see.
Here in a ball that they made
From the snow on the ground,
See it rolling away
Wild eyes to the sky
They'll never, never know

Hey there's a Snowman
Hey what a Snowman
Pray for the Snowman
Ooh, Ooh what a Snowman
They say a snow year's a good year
A7 (instead of C/D in 1st chorus)
Filled with the love of all who lie so deep

Hey there goes the Snowman
Hey, hey there what a Snowman
Hey there lies the Snowman
Hey he was a Snowman
They say a snow year's a good year
Filled with the love of all who lie so deep

Hey, there goes the snowman
Hey, hey there what a snowman...
