

# Snowbound

## Genesis

Lay your body down upon the midnight snow,  
Feel the cold of winter in your hair  
Cmaj7 Em9(no5)  
Here in a world of your own,  
In a casing that's grown  
To a children's delight  
That arrived overnight

And here they come to play their magic games  
Carving names upon your frozen hand.  
Here, in a world of your own,  
Like a sleeper whose eyes  
Sees the pain with surprise  
As it smothers your cries  
They'll never, never know.

Hey there's a Snowman  
Hey, Hey what a Snowman  
Pray for the Snowman  
Ooh, Ooh what a Snowman  
They say a snow year's a good year  
Filled with the love of all who lie so deep

Smiling faces tear your body to the ground  
Covered red that only we can see.  
Here in a ball that they made  
From the snow on the ground,  
See it rolling away  
Wild eyes to the sky  
They'll never, never know

Hey there's a Snowman  
Hey what a Snowman  
Pray for the Snowman  
Ooh, Ooh what a Snowman  
They say a snow year's a good year  
A7 (instead of C/D in 1st chorus)  
Filled with the love of all who lie so deep

Hey there goes the Snowman  
Hey, hey there what a Snowman  
Hey there lies the Snowman  
Hey he was a Snowman  
They say a snow year's a good year  
Filled with the love of all who lie so deep

Hey, there goes the snowman  
Hey, hey there what a snowman...
