That's All

Genesis

Just as I thought it was going alright I find out I'm wrong, when I thought I was right It's always the same, it's just a shame, that's all I could say day, you'd say night Tell me it's black when I know that it's white It's always the same, it's just a shame, that's all

I could leave but I won't go Though my heart might tell me so I can't feel a thing from my head down to my toes So why does it always seem to be Me looking at you, you looking at me It's always the same, it's just a shame, that's all

Turning me on, turning me off Making me feel like I want too much Living with you's just putting me through it all of the time Running around, staying out all night Taking it all instead of taking one bite Living with you's just putting me through it all of the time

I could leave but I won't go It'd be easier I know I can't feel a thing from my head down to my toes But why does it always seem to be Me looking at you, you looking at me It's always the same, it's just a shame, that's all

Truth is I love you More that I wanted to There's no point in trying to pretend There's been no-one who Makes me feel like you do Say we'll be together till the end

I could leave but I won't go It'd be easier I know I can't feel a thing from my head down to my toes But why does it always seem to be Me looking at you, you looking at me It's always the same, it's just a shame, that's all

Just as I thought it was going alright I find out I'm wrong, when I thought I was right It's always the same, it's just a shame, that's all I could say day, you'd say night Tell me it's black when I know that it's white It's always the same, it's just a shame, that's all - that's all
