

Turn It On Again

Genesis

All I need is a TV show, that and the radio
Down on my luck again, down on my luck again
I can show you I can show you some of the people in my life
I can show you I can show you some of the people in my life
It's driving me mad just another way of passing the day
I, I get so lonely when she's not there
I, I, I...

You're just another face that I know from the TV show
I have known you for so very long I feel you like a friend
Can't you do anything for me, can I touch you for a while
Can I meet you another day and we will fly away

I can show you I can show you some of the people in my life
I can show you I can show you some of the people in my life
It's driving me mad it's just another way of passing the day
I, I get so lonely when she's not there
I, I, I...

Turn it on, turn it on, turn it on again
Turn it on, turn it on, turn it on again I can see another face
Turn it on, turn it on, turn it on again I can see another face
Turn it on, turn it on, turn it on again
