Turn It On Again

Genesis

All I need is a TV show, that and the radio Down on my luck again, down on my luck again I can show you I can show you some of the people in my life I can show you I can show you some of the people in my life It's driving me mad just another way of passing the day I, I get so lonely when she's not there I, I, I...

You're just another face that I know from the TV show I have known you for so very long I feel you like a friend Can't you do anything for me, can I touch you for a while Can I meet you another day and we will fly away

I can show you I can show you some of the people in my life I can show you I can show you some of the people in my life It's driving me mad it's just another way of passing the day I, I get so lonely when she's not there I, I, I...

Turn it on, turn it on, turn it on again Turn it on, turn it on, turn it on again I can see another face Turn it on, turn it on, turn it on again I can see another face Turn it on, turn it on, turn it on again
