

Working All Day

Gentle Giant

Working all day, I'm digging up the roads, just working all day
Dig for my pay and spend it where I like. I've nothing to say
Drown in my sweat but money buys escape. I've got no regrets
Working all day
Working all day

When I was young I used to have illusions - Dreams ain't enough
.
Papa was rough. He didn't care for learning. Hell life is tough
.
Easy to say that everybody's equal then look around and
see it ain't true.
Working all day

I eat the dust. The boss gets all the money. Life ain't just.
I'm still the same as all the other people - who can I trust
Working all day and never getting nowhere, what can I
say working all day
Working all day.
