Jah ina yuh life everything is nice
Everything is beautiful and everything ...

Light up a spliff and hole a higher meditation
Pon the hills me deh and look down pon creation
And see what Babylin a do the nation
Still me ago find a way fi resist dem temptations
Poor people come make we chant some redemption
Let us talk about some tings what dem nuh mention
'Cause dem nuh remember Jah at all in dem invention
So we know that to destroy is dem intention

From you have Jah Jah ina yuh life everything nice
Behold dis my brother your don't have to think twice
Jah ina yuh life everything is bright
Everything is wonderful and everything is right
Jah ina yuh life everything nice
Behold dis my sister your don't have to think twice
Jah ina yuh life everything is bright
Everything is everything and everything ...

Is like we dun check dem levels and we dun check dem class
Nuff a dem me see dem a snake under grass
Wolf ina sheep clothing remove the mask
Nuff a dem bribe from the boss
But I will believing what is right and I will stand for the cause
You think me a forget how Christ died on the cross
Stil nuh reminisce and nuh dwell ina the past
And righteousness me bring cross

From you have Jah Jah ina yuh life everything nice
Behold dis my brother your don't have to think twice
Jah ina yuh life everything is nice

Everything is everything and everything alright
Jah ina yuh life everything nice
Behold dis my sister your don't have to think twice
Jah ina yuh life everything is nice
Everything is everything and everything alright
