

Leave Us Alone

Gentleman

Some bwoy must be sick ina dem head/
Burn down bridges and build walls instead/
And a pier badness dem spread/
But me know that one day pon Babylon it ago dread/

R:

Leave us alone/
Everything we build up see dem want trample down/
Da one without a sin hafi cast the first stone/
dem can't do it at all-no-dem ina dread man zone/

Da one ya name another riot/
Babylon - we spot dem up pon dem slim fast diet/
Dem want kill we tune dem want we quit/
But we ago slue dem dis time like David slue Goliath/
Dem take the maximum and then give we the minor/
And Babylon have dis ya world upon a timer/
Fi all these guns and all these wars dem a the designer/
we brok Berlin down now we brok China/

R:

Fi go diss Jah righteous youths you make a mistake/
Now the mark is upon you: you just can't escape/
And you seeking now and when and where to my grade/
But Jah is wathching you above the high grate/
None a your daughters nor your nees could ever be my date/
Ina your conference ina your fear you uuh see my face/
Can't make no leggo beast come tek my place/
You nuh go see me ina no disgrace/

R:

You a do your thing and me a do mine/
I a chant and sing you a do crime/
chanting pages of reality you a do ryme/
you spread me name over the internet but to me that is fine/
But still dem can't stop Jah youths from shine/
Jah Jah light it shine so bright it can be seen by the blind/
We plant the seed and watch it get nutered by time/
And put some love ina hearts of mankind/
