

Respond To Yourself

Gentleman

Yes Mi Lion
Don't worry yourself at all...
Ain no problem... this challenge
Rise to it and never fall
Yah ya hear me ya know
Lookhere
Never let them take away your joy, or your motivation will destroy
Keep your meditation high
Give it a bligh... lookhere (boom)

Your very soul him try to break in two
An your joy an happiness a dat them takin too... yo--ou
Like they have been mistaking you
Where is the sense of life and there is no appreciating you
Them a those that will be hating you
But the things will happen dat will change your point of view
Every man has the gat to have dey waterloo
An wondering now what we haff to do

I know you wan respond to yourself
Embrace the change and find a way to yourself
I know you hear dem ball an a call
Dem want it all, rise up to the challenge never fall
Respond to yourself
Embrace the change and find a way to yourself
I know you hear dem ball and a call
Dem want it all, rise up to the challenge never fall

No inside journey
Taught to fear more clearly
And you are weary
Truth a no teary
Earning the future sincerely
Overcome the bondage of your daily life
It's the simple things that a will make it right
What a joy provided by your kids and wife
An we movin on towards the light

I know you wan respond to yourself
Embrace the change and find a way to yourself
I know you hear dem ball an a call
Dem want it all, rise up to the challenge never fall
Respond to yourself
Embrace the change and find a way to yourself
I know you hear dem ball and a call
Dem want it all, rise up to the challenge never fall

So live above and not below
Like a river never ending flow
Just like a stream we should always flow
The longer we live the more we should know
Loving all the things we meet
Connected to the force and see
Just stand firm with every living being
Hold on to your hopes and dreams
Don't let no body interveine

Respond to yourself
Embrace the change and find a way to yourself
I know you hear dem ball an a call
Dem want it all, rise up to the challenge never fall
Respond to yourself
Embrace the change and find a way to yourself
I know you hear dem ball and a call
Dem want it all, rise up to the challenge never fall

Your very soul him try to break in two
An your joy an happiness a dat them takin too... yo--ou
Like they have been mistaking you
Where is the sense of life and there is no appreciating you
Them a those a will be hating you
But the things will happen dat will change your point of view
Every man has the gat to have dey waterloo
An wondering now what we haff to do

I know you wan respond to yourself
Embrace the change and find a way to yourself
I know you hear dem ball an a call
Dem want it all, rise up to the challenge never fall
Respond to yourself
Embrace the change and find a way to yourself
I know you hear dem ball and a call
Dem want it all, rise up to the challenge never fall

Respond to yourself
Embrace the change and find a way to yourself
I know you hear dem ball and a call
Dem want it all, rise up to the challenge never fall

Respond to yourself...
Never let them get you down...
Nooo... no... no... no
