

Right Side Of Life

Gentleman

longer days from your pureing hearts

outa the darkness we stepp ina de light

outa the darkness we stepp ina de light
well it dont make sence

-caus Jah is the way to life

Wen me goes again,
Why we cant just start live as one
Cultre exchange coulda make we feel strong
but nof of them still flex ignorant
all ragga-ragga we got to move along - well

the one thing you nu fi done it

no bada flex bad minded, from you once loose your heart
igno heat if you find it - well then

And you act no fi clean
longer days from you put down the sixteen
evrything comes, goes around, you see what I mean

and stopp the entertainer killing
music is the way, fi get the blessing an
when them all gone, them gone it a fi sing
