

Wicked Thoughts

Gentleman

God gave man humanian and none a dem appreciate
oh what a shame
where is the brotherly love mankind suffer nah ya late

why are you filled with so much wicked thoughts and hate?
do you really think your life it is a wait?
think about it now, before it's too late
mount zion get it, up to penitrat

the wrong people die because the wrong people try change the wo
rld
and make the wrong people cry
suicide bombing woulda pass smoke ona the sky
and to Jah laws none a dem a ba(?) comply
Let us show love nah hesitate,
all a you hate and grudge, you fe eliminate
and send out fi go and lie you shoulda animate
and the gift of life, mankind coulda celebrate

why you sit dong ina you castle full of sin
your ego get taller, because a nuff dollars you fe win yeah
and your choose it full of gin and your conscience get smaller
jah bar fire stool and bust your chin
say dem a rebel but me see seh demma coward
come from the youth dem with dem senseless riot yeah
say demma rebel but me see seh demma coward
and we put a fire pon dem ignorance right now

the more dem get me see the mnore dem a want
never put a seed dong ina the earth and still dem want the plan
t
never teach the youth dem haffi chant I loot up sung dreams
tone and dem wish dem neva bind (?)
but then your things you can't want
that's why me and dutty babylon will never get one
the whole a dem haffi face dem judgement not ina the somenty th
en
a worry and can't come
