

# Follow You

Geoff Moore

Glen Burtnick/Jack Ponti

Matthew 10:38-39/Psalm 23

And when the daylight dies  
You'll still be there when I close my eyes  
And I'll follow, follow You  
I walk into the midnight blue  
You light a torch and it cuts right through  
And I'll follow, follow You  
I see You on the boulevard like a movie star on the cover  
And my heart beats like a drummer

Chorus

If I lose my way tonight  
I know it's gonna be alright  
'Cause I'll follow, follow You  
I'll follow You

If I ever fall behind  
You'll be right there to show me a sign  
I can follow, follow You  
If you go away that's where I'll be  
A world without You is no place, no place for me  
I'm gonna follow You  
When I think of You and the things You say  
What You choose to keep and what You throw away  
I hear Your voice and I won't be afraid

Chorus

They say that I'm a fool to put my trust in You  
But don't you know my faith is all I have  
I think of You and the things You say  
What You choose to keep and what You throw away  
I hear Your voice and I am not afraid

Repeat Chorus
