

Listen To Our Hearts

Geoff Moore

How do you explain, how do you describe
A love that goes from east to west
And runs ad deep as it is wide
You know all our hopes, You know all our fears
Words cannot express the love we feel
But we long for you to hear
Chorus
So listen to our hearts, and hear our spirits sing
A song of praise that flows
From those you have redeemed
We will use the words we know
To tell you what an awesome God You are
Words are not enough to tell You of our love
So listen to our hearts
If words could fall like rain
From these lips of mine
And if I had a thousand years
I would still run out of time
So if you listen to my heart
Every beat would say
Thank you for the life, thank you for the truth
Thank you for the way
Chorus
