

# Holy Day

George Baker Selection

Take my bunny and I go  
To the better land I know  
Looking for a place to stay

Fishing on the riverside  
Sun is shining warm and bright  
Yes, this is a holiday

A holiday, a holy holiday  
This is my holy, holy holiday  
A holiday, a holy holiday  
This is my holy, holy holiday

Water is there clean and clear  
You can live there without fear  
People try to understand

Forget you troubles and your pain  
Someday you will stand again  
Yes, this is a holy land

A holiday, a holy holiday  
This is my holy, holy holiday  
A holiday, a holy holiday  
This is my holy, holy holiday

A holiday, a holy holiday  
This is my holy, holy holiday  
A holiday, a holy holiday  
This is my holy, holy holiday

A holiday, a holy holiday  
This is my holy, holy holiday  
A holiday, a holy holiday  
This is my holy, holy holiday

A holy, holy, holiday  
A holy holiday  
This is my holy, holy holiday  
A holiday, a holy holiday  
This is my holy, holy holiday

A holy, holy, holiday  
A holy holiday  
This is my holy, holy holiday  
A holiday, a holy holiday  
This is my holy, holy holiday
