

Mama Oh Mama

George Baker Selection

The way that you treat me has made life no joy
Mama, oh mama please go away
Now I can miss you, now I can say
I sing La la la la la ...

Mama, oh mama now it's the time
That I can pay you the moments of pain
Mama, oh mama if you can see
If you can feel it go out of me
I sing La la la la la ...

This morning I wake up
This morning I see you
This morning I cry out
This morning I'm free
La la la la la ...
