

All I Am

George Benson

Don't now the right words to say
I'm not magic
Don't hold the world in my hands
Wish I could fly through the air like a hero
But I'm just some one who loves you
That's all I am

Wish I could take you away to a palace
Make you the Queen of the land
All the riches and gold
I don't have them
I'm just some one who loves you
That's all I am

Love that is pure and sacred
I have all you need
And with you that's everything to me
So I'll cherish the moment I saw you
I might not get much more than that
But if you look in my heart you'll find
That I'm some one who loves you
That's what I am

Do-do doo
Do-do doo doo do-do
do-do doo doo doo doo doo
Do-do doo doo doo doo doo
Do-Do

So I'll cherish the moment
I saw you
Life may not give me more than that
But if you look in my heart you will find
That I'm some one who loves you
That's all I am

Some one who loves you
That's what I am

I'm some one who loves you
That's all I am
