

# All I Know

George Benson

Ain't no tellin'  
Where your heart will lead you  
There's only one certainty  
Love remains a mystery  
All at once it can disappear  
Left alone and wonderin  
Tell me where does it go  
Nobody really knows

One thing I'm sure of  
We've finally found the key  
This is the way that love was meant to be

All I know this is heaven  
Love's sweetest song  
Good times keep gettin' better  
I'm right where I belong  
All I need is you beside me  
Know your heart is true  
After all is said and done  
I'll still be loving you

Life's uncertain  
It's easy to lose your way  
No matter how hard you try  
Seems like nothing turns out right  
Promise me that you won't give up  
Don't lose your hope  
Cause when your least expecting it to  
Love has a way of finding you

One thing I'm sure of  
We've finally found the key  
This is the way that love was meant to be

All I know this is heaven  
Love's sweetest song  
Good times keep gettin' better  
I'm right where I belong  
All I need is you beside me  
Know your heart is true  
After all is said and done  
I'll still be loving you

All I know  
You're all I need  
A part of you lives inside of me  
So promise me forever  
Say you'll leave me never  
Together we can do anything

All I know this is heaven  
Love's sweetest song  
Good times keep gettin' better  
I'm right where I belong  
All I need is you beside me  
Know your heart is true

After all is said and done  
I'll still be loving you

All I know this is heaven  
Love's sweetest song  
Good times keep gettin' better  
I'm right where I belong  
All I need is you beside me  
Know your heart is true  
After all is said and done  
I'll still be loving you

All I know
