Miscellaneous

We Got The Love

You know it hurts me

When I can't be next to you

And though we're young I know

You feel the same way, too

Deep in our hearts we know

It's just a matter of time

'Cause we'll be together one day

And when we met

Out on the streets along the way

It wasn't by chance that we

Were passing by that day

As sure as there's a moon

And stars above I know

We'll be together for sure

As sure as that nose on your face

We were meant for each other's arms

Just as one and one make two

You were made for me

I was made for you (boy)

Don't try to hide that smile

I know that's on your face

And when you stare (look) at me

I'll look the other way

And we won't give away

What we know from the start

That we've got that love in our hearts

Deep in our hearts

In our hearts we've got that love

In our hearts we've got that love

In our hearts we've got that love

Oh deep down in our hearts

We've got that love

Oh we're very into lovin', yeah

Oh that love in our hearts

We've got that love in our hearts

Oh baby, we've got that love
