

# Love X Love

George Benson

I remember the days when we never had a dime  
And our dreams seemed a million miles away  
But we made it baby, facin' the bad times with a smile  
Here we are and we're growin' stronger day by day

'Cause we got love times love  
It's always there for us to share  
And girl it sure feels good  
To know you're by my side

'Cause we're just two high hearts  
That beat as one forever on  
With love times love  
To keep us satisfied every night

So my lady whisper the words I love to hear  
Cuddle up and I'll make you feel all right  
'Cause I need you baby to carry me on through all the years  
So come on baby close the door and dim the lights

'Cause we got love times love  
It's always there for us to share  
And girl it sure feels good  
To know you're by my side

'Cause we're just two high hearts  
That beat as one forever on  
With love times love  
To keep us satisfied every night

And there ain't no one in this world tonight  
Can change my point of view  
So come on girl and hold me tight  
The way you always do with love times me and you

'Cause we got love times love  
It's always there for us to share  
And girl it sure feels good  
To know you're by my side

'Cause we're just two high hearts  
That beat as one forever on  
With love times love  
To keep us satisfied every night

'Cause we got love times love  
It's always there for us to share  
And girl it sure feels good  
To know you're by my side

'Cause we're just two high hearts  
That beat as one forever on  
With love times love  
To keep us satisfied every night

We got love  
It sure feels good

Carry me on through all the years  
Keep me satisfied
