

Stairway to Love

George Benson

You were the owner of a broken heart.
You didn't know that I was falling in love from afar
Every morning, wiping tears from your eyes
You never dreamed someone was watching and heard every
cry

What are the odds of a fool finding in love
It's a one in a million shot in the dark
Just when I thought there's no need holdin' on:
You wrapped me in your arms and took me on a stairway
to love:

And that's where you'll find true emotion, dear
Deeper than the deepest ocean,
High up where jealous fools can't break us
We're on a stairway to love:stairway to love.

A little candlelight, a fire for two,
A glass of chardonnay bring out the lover in you
So dancing through the night makes a picture so right
Two silhouettes framed as one in the moonlight

What are the odds of a fool finding in love
It's a one in a million shot in the dark
Just when I thought there's no need holdin on:
You wrapped me in your arms and took me on a stairway
to love:

And that's where you'll find true emotion, dear
Deeper than the deepest ocean,
High up where jealous fools can't break us
We're on a stairway to love:stairway to love.

Are you ready?
We can fly away right now to Tahiti
Pack your bags. Whatever you want,
You can have, here on the stairway to love:

It's where you'll find true emotion, dear
Deeper than the deepest ocean,
High up where jealous fools can't break us
We're on a stairway to love:stairway to love.
