Even though the streets are bumpy, lights burned out Dope fiends die with a pipe in their mouths Old school buddies not doing it right Every day it's the same And it's the same every night I wouldn't shoot you bro but I'd shoot that fool If he played me close and tried to test my cool Every day I wonder just how I'll die Only thing I know is how to survive There's only one rule in the real world And that's to take care of you, only you and yours Keep dealing with the hard times day after day Might deal me some dope but then crime don't pay Black man tried to break into my house again Thought he got off early doing time in the pen Even though my brothers do me just like that I get a lot of love so I'm giving it back to the

In the ghetto, you keep one eye open All day long, just hoping and hoping You can pay your bills and not drink too much Then the problems of life you'll be throwing up Like me, but you don't see Ten years from now, where will you be?

So much game in a too \$hort rap Blacks can't be white and whites can't be black Why you wanna act like someone else? All you gotta do is just be yourself We're all the same color underneath Short dog's in the house you'd better listen to me Never be ashamed of what you are Proud to be black stand tall at heart Even though some people give you no respect Be intelligent, when you put em in check Cause when you're ignorant, you get treated that way And when they throw you in jail you got nothing to say So if you don't listen it's not my fault I'll be getting paid while you'll be paying the cost Sitting in the jailhouse running your mouth While me and my peoples try to get out
