You Are the Love of My Life

George Benson

You Are The Love Of My Life I knew it right from the start The moment I looked at you You found a place in my heart

You Are The Love Of My Life You give me reason to live You taught me how to be strong With you is where I belong

No one's ever touched me Quite the way you touched me People search a life time To find what we have

You Are The Love Of My Life
One thing that's good in this life
I'll spend the rest of my days
Just loving you

You Are The Love Of My Life
The heart and soul of my life
Once I was lost and alone
With you at last I am home

You Are The Love Of My Life You give me reason to live You give me so much of you And give me room to be free

No one's ever touched me Quite the way you touched me People search a life time To find what we have

You Are The Love Of My Life
One thing that's good in this life
And in a world full of change
One thing I'm sure of

You Are The Love Of My Life
One thing that makes sense in this life
I'll spend the rest of my days
Just loving you...

You Are The Love Of My Life And I thank GOD I'm alive To spend my lifetime with you You Are The Love Of My Life
