

It's Summertime

George Duke

Summertime
Hopin' that you'll pass my way, hmm
Summertime, oh baby
Hopin' I'll see you again

Summertime
Summertime, my baby

Summertime
Hopin' that you'll pass my way, hmm
Summertime, oh baby
Hopin' I'll see you again

Summertime
Summertime, my baby

Summertime
Hopin' that you'll pass my way, hmm
Summertime, oh baby
Hopin' I'll see you again

Summertime
Hopin' that you'll pass my way, hmm
Summertime, my sweet baby
Hopin' I'll see you again

Summer, summertime
Make it right
We can try to make it last, oh
Summer, summertime

Summertime
Hopin' that you'll pass my way, hmm
Summertime, oh baby
Hopin' I'll see you again

Summer, summertime
Make it right
We can try to make it last, oh
Summer, summertime

Summertime
Hopin' that you'll pass my way, hmm
Summertime
