

## Baby Blue Eyes

George Hamilton IV

I met her and with just a glance I thought I found my one roman  
ce

She smiled and I was in a trance I called her baby blue eyes  
We fell in love right from the start and then she said we'd nev  
er part

Who ever think she'd break my heart oh not my baby blue eyes  
And then one day she went away I didn't know why  
Too later on I heard she's gone with some other guy  
So now I sit and cry all day my friends all shake their heads a  
nd say

Too bad it had to end this way he lost his baby blue eyes  
And then one day she went away without even saying why  
My darling's gone guess I'll live on but I'll just hate to try  
So now I sit and cry all day my friends all shake their heads a  
nd say

Too bad it had to end this way he lost his baby blue eyes  
I lost my baby blue eyes bye bye baby blue eyes
