

## Remember M Remember E Remember Me

George Hamilton IV

A boy loved a little girl a long time ago  
But he was shy and too afraid to tell her so  
When he learned to write the first thing that he did  
Was sendin' note to her and this is what it said  
Remember the M remember the E put them together and remember me  
Cause why-O-  
you knows you know who never love anyone else but you

The dreams were too big for my love to fill  
She wanted the rich boy who lived upon the hill  
I told her that his gold and fancy limousine  
Could never bring the happiness that true love brings  
Remember the M remember the E

In the morning mail I got a faded note  
The tear stained piece of paper the first words that I wrote  
There was no other message there didn't have to be  
She left my own words tell me she's in love with me  
Remember the M remember the E
