

# Any Road

George Harrison

1. Oh, I've been travelled on a boat and a plane  
in a car, on a bike, with a bus and a train  
Travelling there and travelling here  
everywhere in every gear

R: But oh Lord, we pay the price  
with the spin of the wheel  
with the roll of the dice  
Oh yeah you pay your fare  
and if you don't know where you're going  
any road will take you there

2. And I've been travelling through the dirt and the grime  
from the past to the future, through the space and the time  
Travelling deep beneath the waves  
in watery grooters and the mountainous caves

R1: But oh Lord, we've got to fight  
with the thoughts in the head  
with the dark and the light  
No use to stop and stare  
and if you don't know where you're going  
any road will take you there

\*: You may not know where you came from  
may not know who you are  
May not have even wondered  
how you got this far

3. I've been travelling on a wing of a prayer  
by the skin of my teeth, by the breath of a hair  
Travelling where the four winds blow  
with the sun on my face, in the ice and the snow

R2: But oooo-eeee, it's a game  
sometimes you're cool  
sometimes you're lame  
Oh yeah, it's somewhere  
and if you don't know where you're going  
any road will take you there

R:

4. I keep travelling around the bend  
there was no beginning, there is no end  
It wasn't born and never dies  
there are no edges, there is no sides

R: Oh yeah, you just don't win  
it's so far out, the way out is in  
Bow to God and call him Sir  
and if you don't know where you're going  
any road will take you there  
and if you don't know where you're going  
any road will take you there  
and if you don't know where you're going  
any road will take you there
