

## Behind That Locked Door

George Harrison

Why are you still crying?  
Your pain is now through  
Please forget those teardrops  
Let me take them from you

The love you are blessed with  
This worlds waiting for  
So let out your heart, please, please  
From behind that locked door

Its time we start smiling  
What else should we do?  
With only this short time  
Im gonna be here with you

And the tales you have taught me  
From the things that you saw  
Makes me want out your heart, please, please  
From behind that locked door

And if ever my love goes  
If Im rich or Im poor  
Please let out my heart, please, please  
From behind that locked door

From behind that locked door
