Behind That Locked Door

George Harrison

Why are you still crying? Your pain is now through Please forget those teardrops Let me take them from you

The love you are blessed with
This worlds waiting for
So let out your heart, please, please
From behind that locked door

Its time we start smiling What else should we do? With only this short time Im gonna be here with you

And the tales you have taught me
From the things that you saw
Makes me want out your heart, please, please
From behind that locked door

And if ever my love goes

If Im rich or Im poor

Please let out my heart, please, please

From behind that locked door

From behind that locked door
