

# Bye Bye, Love

George Harrison

Bye bye love  
Bye bye happiness  
Hello loneliness  
I think Im gonna cry

Bye bye love  
Bye bye sweet caress  
Hello emptiness  
I know Im gonna die  
Goodbye my love bye bye

There goes our lady  
With a you know who  
I hope shes happy  
And old clapper too  
We had good rhythm  
(and a little slide)  
Then she stepped in  
Did me a favour  
I threw them both out.

(mmm) goodbye happiness  
Hello loneliness  
I think Im gonna cry  
Bye bye my love bye bye  
(mmm) bye bye love (mmm)  
Its gonna be a raining out of doors  
(mmmm) hello happiness (mmm)  
Goodbye my love goodbye

Now Im into romance  
I shy away from love  
Got tired of ladies (ooh ooh)  
That plot and shove me  
And thats the reason  
We all can (see) so clearly  
They see that our lady  
Is out on a spree

Bye bye love  
Bye bye happiness  
Hello loneliness  
Think Im gonna cry

Bye bye love  
Bye bye happiness  
Hello emptiness
