

Dark Horse

George Harrison

You thought that you knew where I was and when
But it looks like they've been foolin you again,
You thought that you'd got me all steaked out
But baby looks like Ive been breaking out

Im a dark horse
Running on a dark race course
Im a blue moon
Since I stepped from out of the womb
Ive been a cool jerk
Looking for the source
Im a dark horse.

You thought you had got me in your grip
Baby looks like you was not so smart
And I became too slippery for you
But let me say that was nothing new.

Im a dark horse
Running on a dark race course
Im a blue moon
Since I picked up my first spoon
Ive been a cool jerk
Looking for the source
Im a dark horse

I thought that you knew it all along
Until you started getting me not right
Seems as if you heard a little late
But I warned you when
We both were at the starting gate

Im a dark horse
Running on a dark race course
Im a blue moon
Since I stepped from out of the womb
Ive been a cool jerk
Cooking at the source
Im a dark horse.
