

# Devil's Radio

George Harrison

Gossip, gossip  
Gossip, gossip

I heard it in the night  
Words that thoughtless speak  
Like vultures swooping down below  
On the devils radio

I hear it through the day  
Airwaves gettin filled  
With gossip broadcast to and fro  
On the devils radio

Oh yeah, gossip  
Gossip, oh yeah

Hes in the clubs and bars  
And never turns it down  
Talking about what he dont know  
On the devils radio

Hes in your tv set  
Wont give it a rest  
That soul betraying so and so  
The devils radio

Gossip, gossip  
Gossip, gossip  
(oh yeah) gossip, (gossip) oh yeah  
(gossip) oh yeah, (oh yeah) gossip

Its white and black like industrial waste  
Pollution of the highest degree  
You wonder why I dont hang out much  
I wonder how you cant see

Hes in the films and songs  
And on all your magazines  
Its everywhere that you may go  
The devils radio

Oh yeah, gossip  
Gossip, oh yeah

Runs thick and fast, no one really sees  
Quite what bad it can do  
As it shapes you into something cold  
Like an eskimo igloo

Its all across our lives  
Like a weed its spread  
till nothing else has space to grow  
The devils radio

Can creep up in the dark  
Make us hide behind shades  
And buzzing like a dynamo

The devils radio

(gossip) oh yeah, (gossip) oh yeah  
(gossip) gossip, (gossip) gossip  
Oh yeah, gossip I heard you on satans wireless  
Gossip, oh yeah you know the devils radio, child  
Gossip, gossip  
Gossip, gossip
