## **Devil's Radio**

## **George Harrison**

Gossip, gossip Gossip, gossip

I heard it in the night Words that thoughtless speak Like vultures swooping down below On the devils radio

I hear it through the day Airwaves gettin filled With gossip broadcast to and fro On the devils radio

Oh yeah, gossip Gossip, oh yeah

Hes in the clubs and bars And never turns it down Talking about what he dont know On the devils radio

Hes in your tv set
Wont give it a rest
That soul betraying so and so
The devils radio

Gossip, gossip
Gossip, gossip
(oh yeah) gossip, (gossip) oh yeah
(gossip) oh yeah, (oh yeah) gossip

Its white and black like industrial waste Pollution of the highest degree
You wonder why I dont hang out much
I wonder how you cant see

Hes in the films and songs And on all your magazines Its everywhere that you may go The devils radio

Oh yeah, gossip Gossip, oh yeah

Runs thick and fast, no one really sees Quite what bad it can do As it shapes you into something cold Like an eskimo igloo

Its all across our lives
Like a weed its spread
till nothing else has space to grow
The devils radio

Can creep up in the dark Make us hide behind shades And buzzing like a dynamo
