

## Māya Love

George Harrison

Maya Love - Maya Love,  
Maya Love is like the sea  
Flowing in and out of me  
Maya Love - Maya Love,  
Maya Love is like the day  
First it comes, then it rolls away  
Maya Love - Maya Love,  
Maya Love is like the wind  
Blowing hard on everything  
Maya Love - Maya Love,  
Maya Love is like the rain  
Beating on your window brain  
Maya Love - Maya Love,  
Maya Love is like the stream  
Flowing through this cosmic dream
