

Not Guilty

George Harrison

Not guilty
For getting in your way
While youre trying to steal the day
Not guilty
And Im not here for the rest
Im not trying to steal your vest.

I am not trying to be smart
I only want what I can get
Im really sorry for your ageing head
But like you heard me said
Not guilty.

Not guilty
For being on your street
Getting underneath your feet
Not guilty
No use handing me a writ
While Im trying to do my bit.

I dont expect to take your heart . . .
I only want what I can get
Im really sorry that youre underfed . . .
But like you heard me said . . .
Not guilty.

Not guilty
For looking like a freak
Making friends with every sikh
Not guilty
For leading you astray
On the road to mandalay.

I wont upset the apple cart
I only want what I can get
Im really sorry that youve been misled . . .
But like you heard me said . . .
Not guilty.
