Ooh Baby (You Know That I Love You)

George Harrison

My baby, ooh
You know I love you
My baby, ooh
You know I love you

I wont say its forever
Right now while were together

Youre my baby, ooh
You know I love you
My baby, ooh
You know I love you

I will be where you want me
I will try to keep you happy
If only you say youre my baby, ooh
You know I love you
Youre my baby
I do anything for you
Id run around the world for you
I do what you want me to

Ooh, you know that I love you
My, my baby, ooh
