

# The Light That Has Lighted the World

George Harrison

Ive heard how some people, have said  
That Ive changed  
That Im not what I was  
How it really is a shame  
The thoughts in their heads,  
Manifest on their brow  
Like bad scars from I'll feelings  
They themselves arouse  
So hateful of anyone that is happy  
Or free  
They live all their lives,  
Without looking to see  
The light that has lighted the world

Its funny how people, just wont  
Accept change  
As if nature itself - theyd prefer  
Re-arranged  
So hard to move on  
When you're down in a hole  
Where there's so little chance,  
To experience soul

Im greatful to anyone,  
That is happy or free  
For giving me hope  
While Im looking to see

The light that has lighted the world
